## **CTSN Premieres *The Back Page with Jason Page* on September 24 at 7:30 p.m. Tune to Comcast Channels 185 and 187 and Cox Channel 144**

HARTFORD, Conn. (September 11, 2009) – You’ve heard radio host Jason Page espouse his sports views on ESPN Radio 1410. Now you can watch him on CTSN, the Connecticut Sports Network. Page debuts *The Back Page with Jason Page*, a one-hour sports show (which bears the same name as his radio show), on September 24, 2009 at 7:30 p.m. on Comcast Channel 185 and 187 and Cox Channel 144.

The show, which is taped in front of a live audience, is a sports and entertainment biography show featuring both famous and up-and-coming players and coaches from the local and national sports scenes.

“I’m so excited to bring *The Back Page* product to CTSN,” said Page. “When you’re on the radio, you have a small window to talk with a guest. When you’re face-to-face and the cameras are on in front of a live studio audience, you never know what’s going to happen. Connecticut deserves this kind of show.”

For the first episode, Page will sit down with Yale football coaches Carmen Cozza, Jack Siedlecki and Tom Williams for a look at the past, present and future of the Yale football program.

“Cozza coached Yale for over 30 years and has the distinction of being the university’s most successful football coach,” said Page. “To be able to talk to him and his two successors will be very interesting.”
